SOAPING AMERICAN HISTORY LOG

Directions: Use this worksheet as your SOAPing American history. Remember the SOAPing format:

S – Script – The script is the text or document you read.

O – Observation – Make observations about what you've read in the selected text and connect them to society.

A – Application – Brainstorm concrete measures of applying what you've observed/learned from the text in ways that address the problems laid out in the text.

P – Participation – this part is twofold. 1) Write a one paragraph response to the author of the article (and send it to them) and 2) actually apply the applications you wrote down.
